Servers, Lectors, and Eucharistic Ministers Needed—Interested in getting more involved in the Celebration of Mass? Think about helping Father Antony during Mass by being a server, lector or Eucharistic Minister. Your help would be greatly appreciated. Contact Ellen Rossoni 803-433-0066.

Quarterly Donations - OLOH will continue donations of food or personal products, (soap, tooth-paste, shampoo etc.) for United Ministries in June. Any non perishable food item is welcome. There is a container in the rear of the church.

THANK YOU— Our parish would like to extend sincere thanks to our Women's Club for donating a much needed new copier for the parish office. The entire cost of \$5,600 was paid for by the women. The one we had was over 15 years old so we badly needed a new one and thanks to the generosity of the women, we now have a brand new up-to-date copier which will serve us for years to come. Thanks and God bless all of you!!!

Sunday Reflection

GOD is in control

The Gospel presents Jesus and His disciples embarking on the sea after a full day of teaching and preaching to the people. Jesus falls fast asleep aboard the ship. As a storm blows across the sea, the disciples become so frightened that they awake Jesus. After rebuking the storm, He turns to His disciples asking about their lack of faith.

Allowing GOD to be in control is a lesson all of us need to continually learn. It does not lessen the importance of our giving ourselves 100% to the tasks on hand. It, however, takes away the unhealthy anxiety and helps us to deal with the difficulties in life. Life is filled with challenges. The challenges can become so overwhelming that they de-energize us and paralyze us. It is only when we can surrender ourselves to GOD that GOD can demonstrate Who is in control.

For those who like order and structure in our lives, it can be particularly demoralizing when we realize we are not in charge and have no control of certain outside forces that affect our lives. What is important is that we can trust in the Lord Jesus and realize that GOD is in control. That means we must reach a point when we give up the selfish control that we desire to have, and hand things over to GOD. It demands trust in the our GOD, Who loves us more than we can ever know, and definitely more than we deserve. GOD truly wants the best for us and is working in our lives even while we face the most turbulent times. GOD is not inflicting us with problems, but GOD is with us through the problems.
